Re: United States v. Jason Castillo  
17-cr-740 (JGK)

Dear Judge Koeltl:

I was counsel for Jason Castillo in his prosecution under 17-cr-740 (JGK). Mr. Castillo has asked that I represent him on his pending motion for sentence reduction under § 3582(c)(1)(A)(i). I ask that the Court assign me as counsel for this purpose. My intention would be to supplement Mr. Castillo's existing motion to address some of the factors the Court is required to consider in ruling on Mr. Castillo's motion. Specifically, I would like to submit medical records and Mr. Castillo's progress reports from the Bureau of Prisons, which document his actions since his incarceration.

I have consulted with the Assistant United States Attorney who is representing the government in this case, and the government takes no position with respect to my request.

Respectfully submitted,
